

Box Hardware Parts Bag

<p>Latch Attach to front of box with small pointy screws</p> 	<p>10x 6-32 9/16" screw Used in all T slot joints (2 extra)</p> 	<p>3x Binding Post Nut Used as hinge pin (1 extra)</p> 	<p>Philips Screwdriver</p> 
<p>5x Mini Wood Screw Used with latch</p> 	<p>10x 6-32 Nut Square Used in all T slot joints (2 extra)</p> 	<p>3x Binding Post Screw Used as hinge pin (1 extra)</p> 	

- Every type of screw/nut includes extra parts (incase some are lost)
- For ease of assembly attach parts in order #1-11 (order is printed on lower right corner of wood panel)
- The screen panel (#11) **MUST** be installed last, after the binding post hinge pins are attached
- Parts fit together like a puzzle, enjoy the game :)
