Box Hardware Parts Bag

Latch Attach to front of box with small pointy screws	**10x 6-32 9/16" screw** Used in all T slot joints (2 extra)	**3x Binding Post Nut** Used as hinge pin (1 extra)	**Philips Screwdriver**
5x Mini Wood Screw Used with latch	**10x 6-32 Nut Square** Used in all T slot joints (2 extra)	**3x Binding Post Screw** Used as hinge pin (1 extra)	

- Every type of screw/nut includes extra parts (incase some are lost)
- For ease of assembly attach parts in order #1-11 (order is printed on lower right corner of wood panel)
- The screen panel (#11) MUST be installed last, after the binding post hinge pins are attached
- Parts fit together like a puzzle, enjoy the game :)
